DEDICATION

For giving of his time and talents to Wayland for ten years while he served as its President, for enlarging the school both in its physical plant and its student body, for teaching the students spiritually as well as scholastically, for giving of his service and devotion during his years here, we, the staff of the 1954 yearbook, dedicate the Pillars to Dr. Weimer K. Hicks.

RAYMOND A. PATTERSON, PRESIDENT

As the present year 1954 started, Wayland came under the leadership of a new president, Mr. Raymond A. Patterson. Mr. Patterson succeded Dr. Weimer K. Hicks, who is now the president of Kalamazoo College in Kalamazoo, Michigan.

Mr. Patterson has long been associated with Wayland. He came to Wayland in 1936 as a Freshman and graduated in 1940. He participated in dramatics, the choir, student activities, and was one of the best athletes in the history of the school, taking part in football, basketball, and track. His high jump record has not yet been broken.

Mr. Patterson then went to the University of Wisconsin where he gained fame as one of the greatest basketball players to attend the University. In 1944 he was named to the All-American basketball team.

In 1948 Mr. Patterson returned to Wayland as head basketball coach and science and biology instructor. He also did work in the public relations department.

Mr. Patterson is a well-established member of the Beaver Dam community. He is a member of the Rotary, a deacon and trustee of the Baptist church, a member of the Wisconsin "W" Club, the Wisconsin Alumni Association, and the Wisconsin Memorial Union.

Mr. Patterson has the support of the entire student body and the faculty in his job as headmaster of Wayland. It is with confidence and great respect that we look to our president, Mr. Patterson, for his leadership as we approach the 100th anniversary of Wayland Academy.

Mr. Tucker came to Wayland in 1947 with many years of experience living in prep schools. He completed his preparatory school work at Lake Forest Academy of Lake Forest, Illinois, and returned to the school later and served as an instructor for fifteen years. He served as assistant headmaster during his last nine years at the academy. Before coming to Wayland, Mr. Tucker served as head of the Latin Department at Culver Military Academy.

After obtaining his Bachelor's Degree from Princeton, Mr. Tucker did graduate work at Grenoble, Heidelberg, the Sorbonne, and the American Academy at Rome. He has also traveled extensively in Europe, Africa, South America, and the East.

At Wayland, Mr. Tucker is head of the Latin Department, a member of the Athletic Board, and Dean of Boys. It is as Dean of Boys that most students will long remember Mr. Tucker. His understanding of boys and his excellent guidance make him one of the finest friends the students have.

Mrs. Foster attended Fairmont Preparatory School in Wichita, Kansas, and Kimball Union Academy in New Hampshire. Following this, she attended Smith College in Northampton, Massachusetts, to receive her Bachelor's Degree, and Columbia University to receive her Master's Degree.

Mrs. Foster has a double life here at Wayland. She is both head of the English department and Dean of Girls. The girls know her as a very understanding person, much like their own mothers; her pupils know her as a fine teacher, eager to help them prepare for their college work.

For ten years Mrs. Foster has been a very active and necessary part of our Wayland life. She helps us through her expert guidance to grow morally into respected adults, and scholastically to grow into intelligent and thinking people.

Mr. A. E. Wichman, Wayland's historian, toastmaster, and Dean of Guidance, came to the Wayland campus in 1925 and has devoted himself to the students and faculty of Wayland ever since.

Mr. Wichman obtained his Bachelor of Arts Degree from Carrol College. Since then he has done graduate work at the University of Wisconsin and the University of Chicago.

Mr. Wichman was Dean of Boys from 1934 to 1942. At present he is Dean of Curriculum and Guidance, and Director of the history Department. He is also Dean of Vocational Guidance and helps many students decide what goal to strive for after graduation from Wayland.

Mr. Wichman has served as golf coach and recently coached his team to an undefeated season. He is also a frequent speaker in chapel and his inspiring talks are an important part of our campus religious life. Mr. Wichman also is in charge of the Historical Field Trip to Washington D. C. which usually takes place every two years.

Mr. Wichman has become an important member of our faculty. His constant good humor and patient guidance have made him one of our most popular faculty members.

Mrs. Pihlstrom, a favorite among the students on campus, is teaching for her ninth year at Wayland. She received her Bachelor of Arts Degree from Lawrence College and did graduate work at the University of Colorado in Remedial Reading. Last spring she completed work on her Master's Degree at the University of Wisconsin.

Besides the regular teaching routine and conducting special courses in Remedial Reading, Mrs. Pihlstrom fulfills the position of Assistant Dean of Girls with a sense of understanding and friendship that the girls of Warren Hall appreciate. In addition to this, Mrs. Pihlstrom has undertaken the important job of Dean of Studies, advising the students about schedules. She is responsible for the arrangement of the curriculum.

Although she has many responsibilities, Mrs. Pihlstrom never fails to possess a spark of enthusiasm and a cheerful smile.

Mr. Simpson came to Wayland in 1944 from Nassau, New York, where he worked for a fuel and oil company. Previous to this he was graduated from Hightstown High School, New Jersey, and later continued his studies at Duke University.

During his ten years at Wayland he has held the positions of Director of Public Relations, Publicity Director, and member of the administrative staff. In 1952 he became the assistant to the president.

Mr. Simpson has left for Kalamazoo College with Dr. Hicks where he will continue his role as assistant to the president.

We wish him the same success and happiness at Kalamazoo that he has had at Wayland.

SENIOR CLASS

Making their farewells as students and joining the ranks of the Alumni are fifteen members of the freshman class of 1950 who weathered the Latin as "greenhorns" through the "significance" of History as Seniors.

Starting as Freshmen we were led by George Maye through a great first year. Who could ever forget the "Ski Jump," or the Rouland show "Good News?" With Spring came the Commencement play, "Boy Wanted," and again the Freshies stole the show.

We chose Dick Sterr to lead us through our Sophomore year. Our first concern was Homecoming, and for our skit we pictured the Homecoming of 1951 through the eyes of the class of 2001. Later we presented the "Snow Ball" and then the Carnival. We again were well represented in Rouland, this year's production being "Oh Suzanna!" This year, as well as the previous one, we swelled the ranks of the Honor Roll and every athletic team. In addition to the class activities, the Hutchins house girls put on "Chicago."

For our Junior year we again chose George Maye to be our leader through this big year. For Vice President we elected Jim Burgess; Secretary, Mary Jensen; and Treasurer, Sukie Fisher. Early in the year we undertook the "Tackle Turnabout," and later the "Hayseed Hoedown."

Our really big project was the Junior Prom. We chose "Evening in Paris" as the theme. It hasn't come to an agreed decision as yet to whether it was more fun decorating the gym or actually dancing in all its glory to the heavenly music. Miss Porter and Commander Mayer deserve our sincere thanks for their vital assistance and guidance through the year.

Finally our dream of achieving the status of a Senior was reached. After four years for many of us, or three and two for the rest, it is a worth while goal.

Our last year at Wayland was led by Jim Burgess with Dick Neuman, Vice President; Ticky Nason, Secretary; Dick Kimberly, Treasurer. Sponsored by Mr. Mayer and Miss Browne our class capably handled its duties during the year.

In the Homecoming skit we acted out "Dragnet" and took second place for it. For our effigy we played on the fact that it was Hallowe'en and our opponent's colors were black and orange, and came up with "They Don't Stand a Ghost of a Chance."

This year for activities we staged "Crazy Man Crazy," and let down our hair and danced to the latest rhythms. Next came the "Highland Fling" and the Scotch in us had its moment of glory.

In December we danced through the "Candy Cane Cotillion." Rouland's "Gay Nineties" pervaded the class and soon afterwards our thoughts turned to a more serious aspect with "Pomp and Circumstance."

When all the farewells are said, we will still cherish the memories of some of the most wonderful years of our lives.

JUNIOR

The Centennial class has advanced another year. Along with this advancement have come many wonderful new faces. Early in the year we elected our class leaders of 1953-1954, chosing as our President, Roberto Fernandez; Vice President, Bill Adams; Secretary, Mousie Gundersen; Treasurer, Dick Pingel. It was not long before we were working hard on our Homecoming projects. As our skit's theme we used "Homecoming at Wayland" for which we won third prize. As our effigy we built a giant argyle sock using the saying, "Argyles sock 'em" for which we won second prize. Soon after, we put on "Bums Ball" requiring everyone to dress accordingly. The gym was true to the evening's title having railroad tracks and park benches.

CLASS

After Christmas we turned our minds to the earning of Prom money. After much popcorn selling and activities, the big night arrived and with it a great satisfaction for all our hard work.

We are well represented in Wayland's various activities having 16 on Honor Roll; 6 in football; 7 in basketball; 11 on girls hockey; and 7 on girls basketball.

We wish to thank Mr. Williams and Mrs. Case for their kind and helpful assistance throughtout the year. This year has been a wonderful success and we are looking foreward to an even more successful year to come as the Centennial Seniors of 1954-1955.

Wayland Academy

Extend sincere Gratitude and deep Devotion to you,

Dr. Weimer K. Hicks

For the manifold works of achievement which you have wrought at our Alma Mater during the decade of your inspired and consecrated leadership.

You gave us a dream and brought it to the door of fulfillment. You built anew while you preserved the values of the past. You rekindled the flickering flame of the Wayland Spirit and gave it rich radiance to shine across the years of our Second Century.

As you leave us for further service to Education in a broader field, you take with you a full measure of continuing good wishes and abiding loyalty from the heart of every Wayland Man and Woman.

SOPHOMORE

The class of 1956 undertook its second year at Wayland by sponsoring one of the first ativities of the year, the Harvest Hop, and later followed with the annual carnival. Their activities were highlighted by Sadie Hawkins Day, which they will put on until their graduation. Before the dance there is an old fashioned race in which the girls try to catch their escorts for the dance. On arriving there the couples are wed by "Marryin' Sam". This is always one of the memorable activities of the year.

Again they did a fine job at Homecoming both on the skit and the effigy, when they won first place in the latter. Most of their class is

active both in the academic and extra-curricular activities that make for a well rounded education. Thirteen members of the class were represented on the Honor Roll, and all the school teams were well represented by the class of 1956.

Officers for this year were: Stan Marshall, President; Judy Nagley, Vice President; Barbara Hickman, Secretary; Dan Barber, Treasurer. Under the guidance of Miss Porter and Coach Boya these Sophomores have shown their capability of the leadership that will be theirs in the coming two years.

FRESHMAN

This year started out just right for the twenty nine Freshmen in our class. Working with real class spirit we came through with first prize in the Homecoming skits. A tale of the first day and a dorm mix up was our novel idea. Our effigy "This Plug's for Wayland", received last place.

The Freshmen moved right into the sports spotlight with both boys and girls representing us on varsity teams. A few of us joined the ranks of Honor Roll too.

Our first activity, "Fall Fiesta," took place the

weekend after Homecoming. We had a large turnout and it proved to be a big success. The gym was divided into two parts with dancing in one end and games in the other. It was an entertaining evening for all who attended.

This year our class has been ably led by our President, Hans Kraut; Vice President, Sue Hicks; Secretary, Gretchen Wernecke; Treasurer, Ann Hoyer. Miss Dwinell and Mr. Larrimore were always willing to chaperone and handle our many committee meetings and gave us the guidance we needed. We wish to take this opportunity to thank them for their efforts.

THE BIG

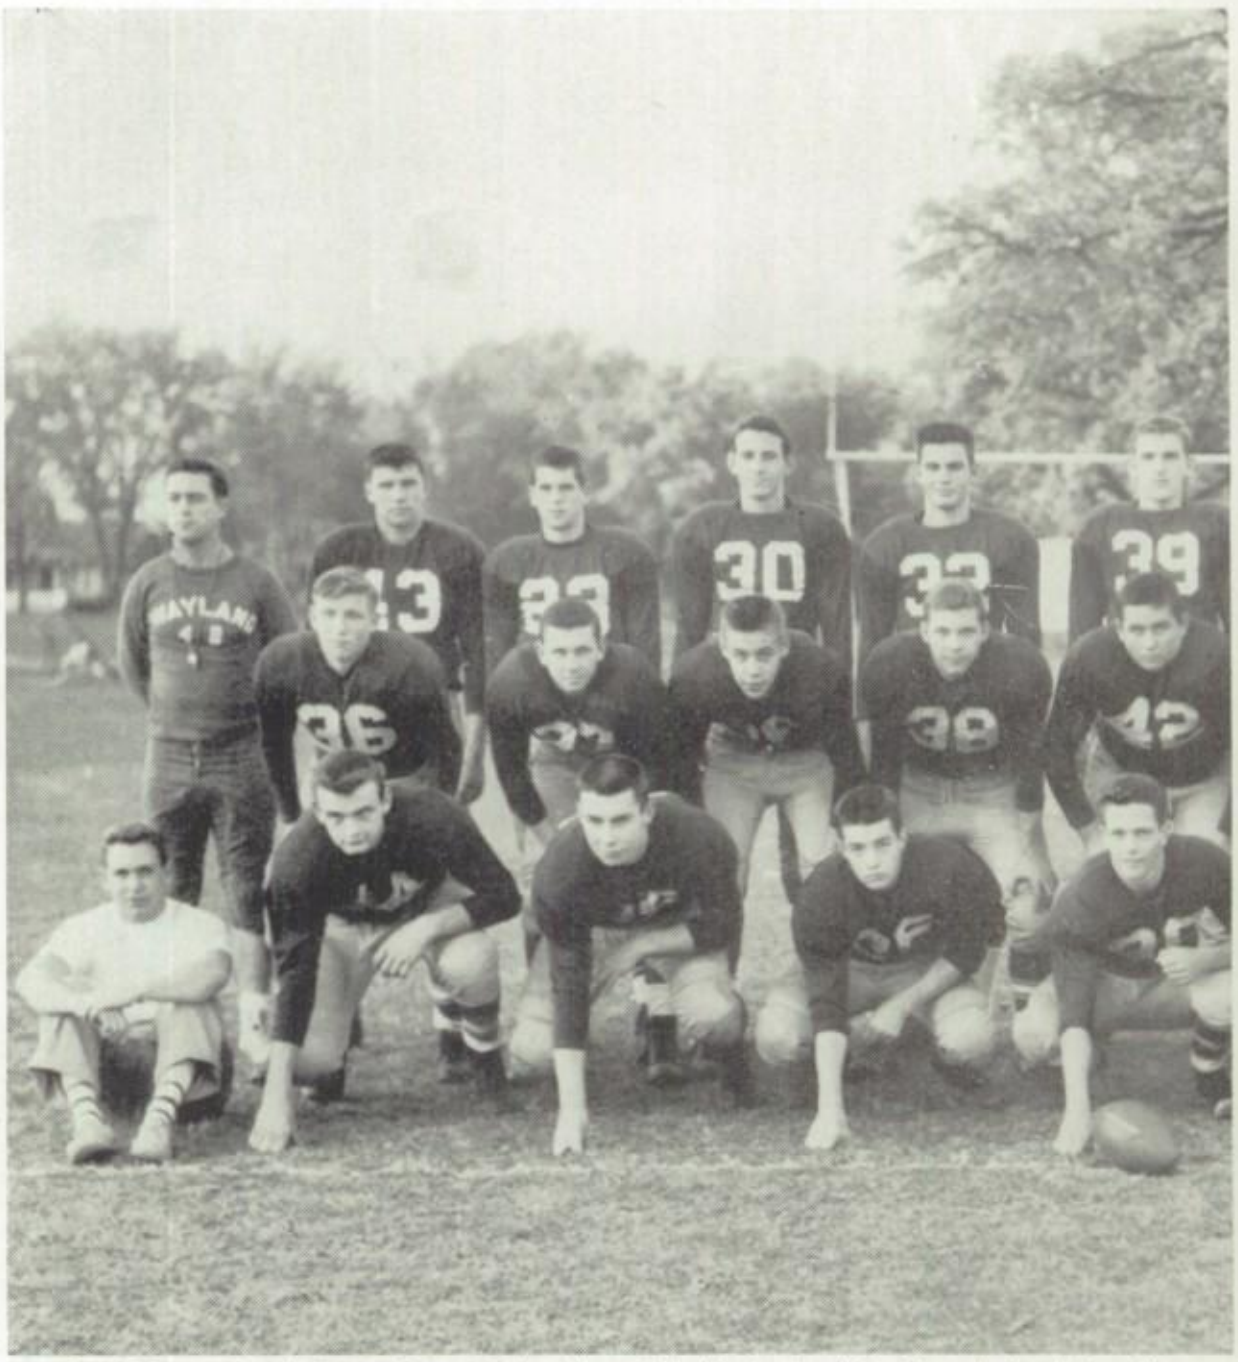
The 1953 football season was an improvement over previous seasons in all respects. By exhibiting fine football and excellent team play, the team ended the season with a 4-4 record. The boys played good tough football all the way, and could have had a much better record with the elimination of a few bad breaks.

In the opening game of the season, the Redmen were hosts to Blake Academy of Minneapolis. Blake, conference champions of the Minnesota conference, was too powerful for our boys, and managed to take home a 14-0 victory.

The Redmen opened the conference season by slamming down Northwestern Preps 34-0. The Redmen were in complete control of the game as they built up a 27-0 half-time lead and coasted to victory. Touchdowns were scored by Maye, Nisbet, Kimberly, and Kenniger.

On the following Saturday, the Red and White lost as Milwaukee Lutheran scored twice in the final period to win, 12-0.

The following Saturday, still angered over their loss to Lutheran, the Big Red smashed North Shore, 47-6. The Redmen dominated play all through the encounter. Pingel, Kapelle, Kenniger, and Maye did the scoring for Wayland.



Back Row—Coach Boya, Ronny Schmoller, Dick Kimberly, Dick Pingel, Fred Kapelle, Dale Schoon, Bill Leslie, Bob Holter, Keith Anderson, Coach Larrimore.

The Redmen ran wild against M. U. S. as they ran up a 32-0 score for their third conference victory. The highlight of the game was a sixty-five yard touchdown run by Dick Neuman. Kenniger, Maye, Kapelle, and Nisbet did the rest of the scoring.

The Redmen came up against undefeated Country Day the following Saturday, and lost a 12-0 battle after playing the first three quarters on an even basis.

In the Homecoming game against Lake Forest, the eventual league champions, the Redmen outplayed the visitors throughout the entire game but lost a 14-13 decision as Kapelle's try for a second conversion was wide by inches. George Maye scored the first touchdown, and Dick Pingel scored on a pass from Kapelle with less than a minute remaining in the game.

In their final game, the Big Red dumped the favored Racine, Maye and Nisbet scoring touchdowns in the first quarter. The Redmen held their lead for the rest of the game and won 13-7.

Dick Snyder and Gene Kenniger were elected the team's co-captains. At the end of the season, Gene Kenniger and George Maye were named to the All-Conference first team; Dick Snyder, Ray Little, and Chuck Nisbet were appointed to the second team.

BASKETBALL

Led by Keith Anderson, captain and Most Valuable Player of this year's team, the basketball squad had a good season. The season started slowly and the team had trouble playing together, but after several weeks of practice, the team started to click and play the type of ball it was capable of playing. Mr. Patterson was coach until after Christmas vacation when he took over his full duties as Headmaster. Mr. Boya then took over as head coach and did a fine job keeping up the Wayland tradition of having top notch basketball teams.

The team played its best ball in the last half of the season as it won six of the last eight encounters. The highlight of the season was the 74-32 victory over Milwaukee Country Day. Anderson broke the conference

and gym scoring record for a single game by scoring thirty-six points. Anderson alone outscored the entire Country Day team. The most satisfying victory was the 64-45 victory over Milwaukee Lutheran as the boys avenged an earlier one-point defeat.

Anderson turned in one of the finest performances ever seen at Wayland as he topped nearly every scoring record in the school. He was selected on the All-Tournament squad and was also named to the All-Conference First Team.

In the tournament, the Redmen won their first round game over North Shore, 51-39, but lost the second round game to Racine, conference and eventual tournament champions.

This year the little red started practicing before Christmas for their games which led up to the girls' tournament here.

M. U. S., Downer, N. S. C. D., and Wayland participated in the tournament. The scores of the games of the first teams were: M U. S. 41-North Shore 33, Wayland 50 - Downer 43. In the second team division, Wayland won over N.S.C.D.

The winners of the championship games were M. U. S. against Wayland resulting in a victory for M. U. S., 27-50. Wayland trounced Downer in the second team division 33-25.

In the beginning of the season the little reds played M. U. S. losing by a score of 54-19. The second team was victorious with a score of 29-16. The second game of the season against Downer resulted again in a loss for the first team. The score of that game was, 37-55. The second team came through with a big win of 30-19.

Thanks go to Mrs. Mayer for a season of good coaching and good sportsmanship.

MONARCH 2-OVEN ROASTER RANGE WITH THE EXCLUSIVE Stoopless SURFACE OVEN

THIS marvelous Monarch Range has a roaster-size oven built flush into the cooking top. Just lift the cover and there's your food! No stooping . . . no hot racks to pull out! A wonderful convenience for frequent basting of fowl, ham or game. With this second oven you always have enough oven space . . . and you have the added convenience of two different oven temperatures for use at the same time.

See this range on display. Whether you cook with GAS or ELECTRICITY, you can enjoy the exclusive conveniences of the Monarch 2-oven Roaster Range.
